Dear Sir:

In accordance with your proposals dated 28 September and 16 November 1953 for Proposed Modification No. 3 to the subject contract, you are herewith directed to proceed with the laying and installing of the 3" copper water line and electric cable for a distance of approximately 1,865 feet, including the necessary excavation, trenching, and backfilling.

The issuance of a formal change order will be made after a firm figure for all the work involved has been determined.

The reasonableness of the proposal will be the subject of future negotiations after review of an itemized breakdown of the quantities and prices used in computing the value of the changes has been submitted as required under Paragraph 1.16(c) of the General Conditions of the Specifications.

Very truly yours,
